## Receiverships: A Tactical Tool for Complex Real Estate

Understanding the benefits of receiverships in resolving troubled projects and distressed sales is vitally important in today's economic environment. In this lively, interactive discussion, a team of receivership professionals will discuss creative and practical uses of real property receiverships to handle complex real estate problems.

- Assess and remedy environmental problems and avoid liability
- Complete a "broken" construction project
- Facilitate the sale of distressed property

### Who Should Attend?

- Builders, developers, and investors
- Lenders
- Attorneys and consultants in the real estate industry
- Real estate acquisition, management, and disposition professionals
- Anyone dealing with distressed assets

### Presenters:

Susan Uecker,  
Receiver,  
Past President of the California  
Receiver's Forum and Bay Area  
Receiver's Forum

Gary Kaplan,
